Non-Cigarette Tobacco Products Stamp

The Tobacco Tax Unit has recently learned that Non-Cigarette Tobacco Products Stamps purchased through Volk Corporation in August 2003 have a date wheel expiration of December 31, 2008.

If you have a Non-Cigarette Tobacco Products Stamp, check the date wheel to determine when it expires. If your current date wheel has an expiration date of December 31, 2008 complete and return the enclosed Non-Cigarette Tobacco Products Stamp application (form 323) to the Tobacco Tax Unit to purchase a new stamp. Completed forms can be faxed to (517) 636-4631 or mailed to the address listed below.

The Michigan Department of Treasury will forward the approved order form to the Volk Corporation for processing. You will be allowed to continue using the December 31, 2008 stamp until March 1, 2009. Non-Cigarette Tobacco Product received and stamped after March 1, 2009 with a December 31, 2008 stamp date without appropriate invoices will be subject to seizure.

Upon receipt of the approved order form, Volk Corporation will contact you to arrange payment of \$40 plus shipping and send you a new stamp. The new stamp's date wheel will expire December 31, 2014.

You are required to either return the expired stamp to:

Michigan Department of Treasury
Tobacco Tax Unit
P.O. Box 30748
Lansing, MI 48909

or destroy the stamp and mail/fax correspondence to the Tobacco Tax Unit indicating that you have destroyed your expired stamp.

Contact the Tobacco Tax Unit at (517) 636-4630 if you have any questions.
